MEET DESIGN: Please note that we are using a split format for our 8 & under session.

We hope that our split session design for the 8 & under swimmers allows our younger swimmers to get in and out of a swimming meet in a more timely fashion. For our 9 & over swimmers, we use a meet format design that allows us to offer a wide variety of events and allows participants to choose events from several different distances while still keeping the meet to a manageable size. Swimmers and coaches must understand that, because of the structure of this session, the 15-minute rule will not be in effect. **Please remember that, though athletes of differing ages may be swimming together in this session, all age groups will be awarded separately.**

RULES: USA Swimming rules will govern the meet. All swimmers must be registered athletes of USA Swimming. All coaches will be required to sign in prior to each session and present their USA Swimming Coaching Membership Card to a meet director. Coaches are required to wear their USA Swimming Coach Membership Card on deck. No parent or spectator will be allowed on deck except to perform a service or function at the request of the meet management. Wheelchair/handicap access is available. Contact the meet management concerning this issue. Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

MEET PROCEDURE: All events, including relays, will be pre-seeded with the first heat of each event comprised of the **SLOWEST** times entered and the last heat comprised of the **FASTEST** times entered. In some instances, the 15-minute rule will not be in effect, so please use your judgment when entering swimmers in back-to-back events.

DISABILITY SWIMMERS: Swimmers with a disability are welcomed to enter Ohio Swimming Meets. Coaches, entry procedures are the same as for all other swimmers. Please provide advance notice of any necessary accommodations needed by the swimmer. List with your entry the swimmer's name, entry times, strokes/distances, days/sessions, and how the swimmer prefers to be seeded. Swimmers with a disability will be seeded with the same age group in either the same distance race or a longer distance race (i.e. 50 free during the 100 free event). Qualifying time standards at regular season meets are waived for swimmers with a disability. At Ohio Swimming Championship Meets swimmers with a disability may enter if they qualify in at least one event for the US Paralympic National Championships. At the Central Zone Meet four swimmers with a disability are welcome on the Ohio Zone Team without meeting the qualifying time standards. More information is available under “Adapted Swimming” on the Ohio Swimming web site (www.swimohio.org).

BULLPEN: The bullpen will be located in the wrestling room located through the doors to the right of the pool entry (room is on the left down the hall). This area will also be open for parents and swimmers to relax during the meet. Please NO FOOD OR DRINK is allowed on the mats. **We ask that coaches go over bullpen procedures with their athletes so that the athletes know what to expect when they get into the bullpen.** Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms, or locker rooms, per USA Swimming.

WEBSITE: All meet information included in this packet will be posted at www.newalbanyaquatics.com
